Re: Docket number PF 15-6: "Atlantic Coast Natural Gas Pipeline -  
Dominion/Duke Energy in Buckingham County, VA.

Dear Secretary Bose:

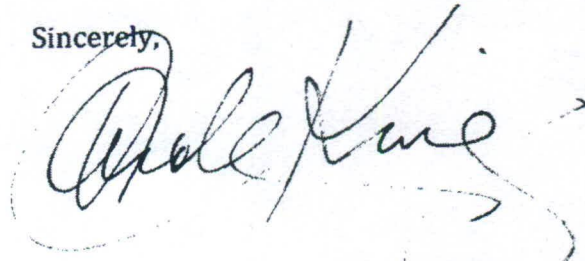

I'm a singer, songwriter, author, and the subject of *Beautiful: The Carole King Musical* on Broadway, but today I'm writing as a longtime supporter of Satchidananda Ashram-Yogaville in Buckingham, VA. I've been associated with this Ashram since it was first envisioned by Swami Satchidananda and built under his direction in the latter part of the last century.

I'm writing to express my strong opposition to the proposed ACP project near the Ashram. If the pipeline proposal is approved, the natural environment, the health and safety of those living in the area, and the lifestyle, service, and mission of the Ashram will be compromised due to air and water pollution as well as noise pollution. I believe that going ahead with the pipeline and compressor will adversely impact the Ashram's ability to serve the thousands of visitors who come to Yogaville from around the world in search of a safe, healthy, and peaceful sanctuary where they can experience learning, spiritual growth and personal healing.

It should also be noted that the loss of visitors to the Ashram will have a deleterious effect on the economy in that part of Virginia.

Thank you for making my opposition part of the official record for the Atlantic Coast Natural Gas Pipeline Dominion/Duke Energy."

Sincerely,
