Richmond, VA 23219

**Re: Incidental Take Statement Vacatur**

Dear Mr. Bley:

On May 15, 2018, the U.S. Court of Appeals for the Fourth Circuit issued an order vacating the U.S. Fish and Wildlife Service's (FWS) Incidental Take Statement included within the FWS' October 17, 2017 biological opinion for the Atlantic Coast Pipeline Project. The Court indicated it would more fully explain its reasoning in a forthcoming opinion. As a result, Atlantic Coast Pipeline, LLC (Atlantic) has informed Commission staff that it will not proceed with construction in any areas where such activities may affect listed species covered by the FWS' Incidental Take Statement for the project. Atlantic should, within 5 days, file documentation that specifically identifies by milepost/stationing the habitat areas that will be avoided with respect to each of the listed species, and confirms the company's commitment to avoid construction in these areas. If you have any questions, please contact me at 202-502-6173.

Sincerely,

David Swearingen  
Chief, Gas Branch 4  
Division of Gas – Environment  
and Engineering
